### CERTIFICATE OF UNDERTAKING OF REGISTERED STRUCTURAL DESIGNER

I am possessing the required qualification and experience to act as a Structural Designer. This is to certify that I am appointed as the registered structural designer to prepare the structural report, structural details and structural drawing for the above Referred project. I am fully conversant of my duties and responsibilities under the Development Control Regulations 2000 for Nagpur district and assure that I shall fulfill them in all respects. I have prepared the Structural design and drawing of the above said building as per the Prevailing Indian Standard Specification and earthquake and fire safety requirement as per rules and I am submitting the certificate that as per my/our design the building is structurally safe for loading and stability as per investigation of Soil Strata of the site.

I undertake that I have supplied the owner and the supervisor the detailed drawings. If my services are terminated, I undertake to intimate the Authority in writing.

I also undertake that I have provided all the design as per the requirements of Earthquake norms required.

I also undertake to provide one set of structural drawing with design calculations for S.N.P. record for this project free of cost.
